SAC Day operates a 32-week academic school year for 7th-12th grade students. There are 2 semesters with 16 class days per semester. The schedule you see above is the traditional calendar that SAC Day has worked by for years. While we know we can't meet the calendar needs of every family, we strive to make a calendar that serves the majority of students.

Students are responsible for completing all work assigned by tutors as well as any missed work during an absence. Failure to complete all assignments may result in the student not receiving credit for the class. All absences are required to be reported to the SAC Day Board in advance by calling 210.960.7510. Students must also report the absence to their tutor.

As one day absent from class is equivalent to a week of instruction, any days over four (4) per year will be considered excessive and may be a basis for removal from the class and not receiving a credit for the class. Please consider your families' schedule before committing to the classes – tutors are dependent upon your tuition for income. With the advance notice we give the families and tutors, we hope schedules can be adjusted to assure attendance at class.
